

Dear Partners and Supporters,

2014 marked the first full calendar year for HHFI, which started operating in March 2013. Since then HHFI has proven to be a dynamic organization committed to help communities in need.

We have rebuilt a total of **17 schools** in areas affected by natural disasters, had **6 more schools** under construction by the end of 2014, raised **IDR 2.596.519.301** during the *Plaza Indonesia 24th* Anniversary Gala and opened two more projects sites, one in the **greater Jakarta area** and a second one in **Manado, North Sulawesi**, hit by devastating floods. We could not have done it without the outstanding support of the donors, volunteers and the HHFI board and staff.

You are part of our community that shares our vision of being more impactful in the lives of these children, their families and communities. Thank you for your incredible support in the past two years. Together we can provide more schools and a better education to the most vulnerable community members. Thank you for continuing to grow with us!

Sincerely,

2013/2014 Expenses

Most of the funds in 2013/2014 were raised in the second half of the year and will be spent on projects in the following calendar year

With your continues support we are committed to rebuild every year **15-20 schools**. In 2014 we have already opened **2 more projects sites** (Manado and Jakarta) and in the future will continue to grow in more unprivileged areas around Indonesia. Together we can make a change in the lives of the children by providing a better education and a brighter future. We will continue to improve our performance and will continue to innovate in order to reach more children in need.

We hope you will help us to grow further by providing support to:
